

November 26th 2011 At Union Transfer 1026 Spring garden street Philadelphia PA, 19123

Join us on thanksgiving weekend and give thanks for all the wonderful craft beers that have come into our lives over the last several years. We will have on tap more than 100 beers from around the world that will tickle your tongue and warm your belly with big bold flavors and spices from around the world.

This is craft beer at it's finest. We have many spiced ales and once a year strong ales that breweries all over the country brew only once a year. We also have many of your favorites and soon to be favorites. We have double and tripple IPAs and Imperial stouts along with wheat beers, pilsners and pale ales we'll even have ciders too. Something for everyone to enjoy.

WinterBeerFest is a festival dedicated to bringing you the best beers available and we pride ourselves on bringing you the newest breweries to hit the Pennsylvania market. Some of the newcomers this year are: Firestone walker, Wild onion, White birtch and more . Click on the vendors link at the top of the page to see what we have in store for you.

The admission price of \$33.00 is in honor of the repeal of Prohibition in 1933. The ticket price gets you all the samples you want for the whole session. Only 1000 tickets will be sold so get them while you can! This is a bigger venue than last year and we are selling less tickets. It's sure to be a sold out show. Buy your tickets at the box office and avoid the fee! More info here: [Union Transfer ticket info](#)

There will be food for sale at the concession stand and some free samples of some tasty treats from some of our non beer vendors too. T-shirts, mugs, pint glasses and jewelry for sale too.

Come join the fun!
